**Re: Statements of Principles Nos. 68 & 69 of 2008  
In Respect of Rheumatoid Arthritis**

Request for Review Declaration No. 18

---

1. In relation to the Repatriation Medical Authority (the RMA) Statement of Principles No. 68 of 2008 in respect of rheumatoid arthritis and death from rheumatoid arthritis, made under subsection 196B (2) of the *Veterans' Entitlements Act 1986* (the VEA), the Specialist Medical Review Council (the Council) under subsection 196W of the VEA:

DECLARES THAT:

the sound medical-scientific evidence available to the RMA is insufficient to justify an amendment to Statement of Principles No. 68 of 2008 to include factors for exposure to mineral oils containing polychlorinated biphenyls (PCBs) or acute PCB exposure or to amend the definition of 'mineral oil' as contended.

2. In relation to the RMA Statement of Principles No. 69 of 2008 in respect of rheumatoid arthritis and death from rheumatoid arthritis, made under subsection 196B (3) of the VEA, the Council under subsection 196W of the VEA:

DECLARES THAT:

the sound medical-scientific evidence available to the RMA is insufficient to justify an amendment to Statement of Principles No. 69 of 2008 to include factors for exposure to mineral oils containing PCBs or acute PCB exposure.
