Appendix A	Preliminary list of the proposed pool of information, as advised to the Applicants (Mr FR & Mr AR), Mrs F, Mr G, Mr T, Mr M and the Commissions by letters dated 11 March 2011 (see Reasons for Decision [32] – [33] and the final pool of information see [119]).
Appendix B	Information available to (before) the RMA and sent to the Review Council by the RMA, under section 196K via FileForce in April 2009.
Appendix C	Information upon which the Applicant Mr FR relied (being information that was available to (before) the RMA and sent to the Review Council by the RMA in accordance with section 196K of the VEA).
Appendix D	The information to which the Applicant Mr FR referred (being information that the RMA advised was 'new information', that is, information which was not available to (not before) the RMA at the relevant times, and so was not considered by the Review Council in reaching its review decision). The Council has listed only the primary source cited articles and not secondary source citations from within those primary articles.
Appendix E	Information upon which the Applicant Mr AR relied (being information that was available to (before) the RMA and sent to the Review Council by the RMA in accordance with section 196K of the VEA).
Appendix F	Information upon which Mrs F relied (being information which was available to (before) the RMA and sent to the Review Council by the RMA in accordance with section 196K of the VEA).
Appendix G	The information to which Mrs F referred (being information which the RMA advised was 'new information', that is, information that was not available to (not before) the RMA at the relevant times, and so was not considered by the Review Council in reaching its review decision).
Appendix H	The information to which Mr G referred (being information that the RMA advised was 'new information', that is, information which was not available to (not before) the RMA at the relevant times, and so was not considered by the Review

	Council in reaching its review decision).
Appendix I	Information upon which the Commissions relied (being information that was available to (before) the RMA and sent to the Review Council by the RMA in accordance with section 196K of the VEA).

Note: Appendices A to I are part of the Reasons for Decisions and for printing purposes are provided as a separate document.
