

PTSD Appendices

Appendix A

Preliminary list of the proposed pool of information, as advised to the Applicant and the Commissionss by letters dated 2 September 2011 (see paragraph 34 of the Reasons) and the final pool of information. This list also identifies the information that the Applicant and the Commissionss relied (being information that the RMA advised was available to (before) the RMA at the relevant times and which the RMA sent to the Council in accordance with section 196K of the VEA).

Appendix B

Information available to (before) the RMA and forwarded to the Council under section 196K of the VEA [See paragraph 22].

Appendix C

Information to which the Applicant referred, that was not available to (not before) the RMA and so was not considered by the Council in making its decision.

Appendix A

Preliminary list of the proposed pool of information, as advised to the Applicant and the Commissionss by letters dated 2 September 2011 (see paragraph 34 of the Reasons) and the final pool of information. This list also identifies the information that the Applicant and the Commissionss relied (being information that the RMA advised was available to (before) the RMA at the relevant times and which the RMA sent to the Council in accordance with section 196K of the VEA).
