### Reasons for Decisions

*Section 196W  
Veterans' Entitlements Act 1986*

---

**Re: Statements of Principles concerning Malignant Neoplasm of the Brain  
Nos. 58 and 59 of 2008 as amended by  
Amendment Statements of Principles Nos. 37 and 38 of 2011**

Request for Review Declaration No. 20

### APPENDICES

<b>Appendix A</b>	Second preliminary list of the proposed pool of information, as advised to the Applicant and the Commissions by letters dated <b>16 July 2012</b> (see [46])  This list also identifies the information upon which the Applicant and the Commissions relied (being information which the RMA advised was available to (before) the RMA at the relevant times and which the RMA sent to the Council in accordance with section 196K of the VEA).
<b>Appendix B</b>	Information forwarded to the Council under section 196K of the VEA referable to the Council's review of Statements of Malignant Neoplasm of the Brain Nos. 58 and 59 of 2008 as amended by Amendment Statements of Principles Nos. 37 and 38 of 2011
<b>Appendix C</b>	The information to which the Applicant, the Commissions and the Council referred (being information which the RMA advised was new information, that is, information which was not available to (not before) the RMA at the relevant times, and so was not considered by the Council in reaching its review decision).

## APPENDIX A

Second preliminary list of the proposed pool of information, as advised to the Applicant and the Commissions by letters dated 16 July 2012 (see [46]).

This list also identifies the information upon which the Applicant and the Commissions relied (being information which the RMA advised was available to (before) the RMA at the relevant times and which the RMA sent to the Council in accordance with section 196K of the VEA.).
